

LONGEVITY IS TIMELESS

The cattle, the equipment, the relationships... we all want things that last. You depend on Gerloff Farms to bring you industry relevant, cutting edge genetics. And we work every day to meet your expectations. But it is bull durability and cow longevity that determine your bottom line.

You expect things that last and we deliver.

High roughage ration to ensure soundness and longevity.

Our herd is built with structure, performance, and power.

Bulls will be on video a couple of weeks prior to our sale and sight unseen purchases are guaranteed.

All bulls will have DNA profiles available.

250 head of Angus & Semi-Angus will sell.

Guaranteed to please
